About Us

People's Market is a collectively run student business co-operative located in the corner of the Student Union at UMASS.

Our mission is to provide a place for the University community to buy natural and fresh foods, to provide the University community with an alternative eating-place, to promote the co-operative and collective movements, and to educate and inform the community about nutritional, political, and social issues in the realm of the food industry.

Our Catering

People's Market is confident that we can make your next event even better with the very best alternative food and drinks we have to offer!

If you are interested in having People's Market cater your next event, please send us an email (preferred) or call our office to speak to a co-manager.

Do you have any special requests for your event? People's Market is willing to do our best to satisfy your needs for any occasion.

Have any other questions? Try checking out our website, or just stop by the store during our hours of operation!

Note: We ask all our customers to please give us at least 7 days notice prior to events so that we can ensure we are adequately stocked for events. Any cancellations must be made within 48 hours of an event to ensure a full refund.)
